Dear Employer

Renewal of Compliance Certificate

I have pleasure in advising that, following a mandatory inspection of your company, it was again found to be compliant and the number of employees employed at the company was 24. Under the circumstances, I am enclosing a fresh Certificate of Compliance. You are kindly reminded that Compliance Certificates are only re-issued subject to the following conditions:

- *That your company remains compliant with all provisions of the Council's Collective Agreements for at least the next six months (certificates are only valid for a period of 6 months). Please be advised that your compliance certificate will expire on 5 October 2019. A new application would therefore need to be submitted before 5 October 2019; and*
- *That the certificate is in respect of **goods manufactured at the address mentioned on the certificate.***
- *That the certificate will not be utilised for purposes of importing manufactured garments or any garment manufacturing work sub-contracted to another manufacturer.*

You are also reminded that in the event of your establishment defaulting on one or more provisions of the applicable Council Collective Agreement, or it becoming known to the Council that the conditions contained herein are not being adhered to, the Council reserves the right to withdraw the certificate and your company's name from its website with immediate effect.

You are aware that the names of those companies to which certificates have been issued are placed on the Council's website (www.nbc.org.za) for retailers, procurement officers of government and local government departments to refer to.

I thank you for complying with the provisions of the Council's Collective Agreements and look forward to a continuing good working relationship.

Yours faithfully,
